

Advanced Diagnostic  
Laboratories

Dear Clinical Staff:

Effective 08/05/2024, the Immunology Laboratory will temporarily be suspending Precipitin Aspergillus fumigatus #6 IgG testing (test code: ASPF6). This test delay was issued in response to a manufacturer's reagent shortage. In-house samples will be stored in the laboratory in anticipation of a resupply of the reagent. After receiving the necessary materials at the end of this month, the laboratory will work diligently to resolve pending samples.

We apologize for any inconvenience this may cause and appreciate your patience. If you have questions, please contact our Client Service team at 800.550.6227 or via email at [ClinRefLabs@NJHealth.org](mailto:ClinRefLabs@NJHealth.org).

Sincerely,
