

# TOP REASONS TO CHOOSE

## ACCORDING TO OUR FELLOWS

“

- Protected nights and weekends = great *work/life balance*.
- A small, yet robust academic center that allows fellows to cultivate *close relationships* with their mentors.
- Fellows see both the inpatient and outpatient side of A&I with *minimal call time*.
- Fellows work with some of the world's *top leaders* in A&I as well as Pulmonology on a daily basis!
- Our *nurses are amazing!* Fellows don't have to staff drug desensitizations and nurses know the best strategies for getting reluctant kids to eat during food challenges!
- Our Pediatric Care Unit (Day Program) is *unique, comprehensive* and cares for patients from across the country and internationally.
