LOS ANGELES REAL ESTATE AND FINANCIAL SERVICES

BREATH OF LIFE

GOLF CLASSIC

L.A.'s leaders in real estate gather for this highly anticipated event. No other event of this size and caliber is solely dedicated to the real estate industry in Los Angeles.

Golf tournaments benefiting National Jewish Health have been held in L.A. since 1989, raising more **than \$4 million**, giving the **Breath of Life** to children and adults in California and around the country.

Innovative and Integrated Care

National Jewish Health is *the* place in the United States where patients with the most difficult cases of lung, heart, immune and related diseases seek life-changing care they cannot find anywhere else.

Your support of National Jewish Health through the Breath of Life Golf Classic will help to make possible unsurpassed care and breathtaking discoveries that will impact you, your children, and generations to come.

BETWEEN JULY 1, 2021, AND JUNE 30, 2022

151,000

National Jewish Health provided
151,000 patient visits.

34,000

We saw **34,000 unique patients.**

\$44 million

We provided **\$44 million in
charity care.**

1 in 4

1 in 4 Americans live with conditions such as asthma, allergies, COPD, interstitial lung diseases, lung cancer and many others, which can significantly interfere with quality of life or can be life-threatening.

world-class

Our world-class scientists and physicians are pioneering advancements and developing global guidelines in areas that affect the lungs, such as the heart, immune system, brain and GI tract. They have made important contributions to the research and treatment of asthma, cancer, immunology and allergies.

Groundbreaking Research

Our scientific advances, include:

- The development of the Food Challenge, the gold standard for diagnosing food allergies.
- National guidelines and standards of care for screening and early detection of lung cancer.
- Clinical work leading to the introduction of asthma and allergy medications, such as Advair[®], Claritin[®], Xolair[®] and the newer “biologics.”

Educating Current and Future Leaders

- Our renowned physicians and scientists elevate the standard of care while teaching fellows and other physicians in our innovative methods.
- We operate Morgridge Academy, an accredited, tuition-free, K-8, day school for chronically ill children.
