RE: Holiday Closure & Special Instructions

Dear Valued Client:

Please be advised that our laboratories will be closed and unable to receive shipments from major shipping providers (FedEx, UPS) on Monday Dec. 26 and Monday Jan. 2, 2023.

Advanced Diagnostic Laboratories will not be receiving or processing samples on Christmas Day (Monday, Dec. 26) and on New Year's Day (Monday, Jan. 2), excluding Microbiology and Mycobacteriology, which will be accepting samples in order to identify COVID-19 and tuberculosis (TB) patients as quickly as possible.

Included with this notice is a list of Immunology, Complement and Pharmacokinetics specimens with modified shipment receiving dates. These adjustments are necessary to ensure specimen integrity.

Please contact our Client Services team at 800.550.6227 with any questions. Our complete [2022 holiday closure schedule](#) is available at [njlabs.org](http://njlabs.org).

**Modified Specimen Receiving Schedule for Dec. 26 and Jan. 2, 2023**

**Specimens must be received by NOON on WEDNESDAY, Dec. 21 for the Christmas Holiday Closure.**

**Specimens must be received by NOON on WEDNESDAY, Dec. 28 for the New Year's Holiday Closure.**
