**#1** in Respiratory Care

**Breathing Science is Life.®**

Dear Friends,

Thank you for being a part of the 2018 Financial Industries Dinner. Your support enables us to continue to conduct the cutting-edge science and provide the compassionate care that make us the #1 Respiratory Hospital in the Nation. Since we opened our doors 119 years ago, our physicians and researchers have intensively focused on breathing – how the lungs function best, how they are compromised by disease, and how we can help people breathe better.

*We breathe science, so you can breathe life.*

Our unsurpassed excellence in patient care and research, as well as our track record of success with lung, heart, immune and related diseases, have made National Jewish Health *the* destination for patients near and far.

We would appreciate the opportunity to show you in person how National Jewish Health is using precision medicine and coordinated care to change the way some of the world's most challenging diseases are treated. Please let us know if you are interested in a Behind the Scenes visit. Our website ([njhealth.org](http://njhealth.org)) is also a good resource to learn about our work and the conditions we treat.

On behalf of the dedicated faculty and staff at National Jewish Health, thank you for joining us at the 2018 Financial Industries Dinner. We are dedicated to the belief that Breathing Science is Life®. Best regards.

Sincerely yours,

A handwritten signature in black ink that reads "Michael Salem". The signature is fluid and cursive, with the first name "Michael" and last name "Salem" clearly legible.
